

Transportation Guide:

The guide will help you to reach the University of Ulsan (UOU) from Incheon International airport (ICN). You have two **options** to take KTX train:

- Direct train (runs on a limited schedule)

- Transfer train

Incheon airport is located almost 280 kilometers away from Ulsan. For convenience, it is advisable that attendees should take KTX (Bullet train) from Incheon airport direct to Ulsan station in *Eonyang*. In any case, if the schedule does not match your arrival timings, please go to **Option II** to use Airport railroad (AREX) or All Stop Train to get to Seoul station.

Option I: If you opt for KTX from ICN direct to Ulsan, follow the following steps to reach Ulsan:

Step I: How to get to KTX station at the airport

When you arrive at Incheon airport, look for signboards for KTX as shown in picture below:

Note: Shown below is the KTX route from ICN to Ulsan. Please remember that KTX runs on a limited schedule, only four times a day (06:55, 16:30, 18:35, 20:38) as follows:

Step II: How to buy a ticket and get on the train

You can purchase KTX ticket by visiting the Information Desk or paying online. The staff has excellent English skills, therefore, we recommend purchasing after landing to Incheon airport. Once you purchase the ticket, observe keenly the train number on ticket, not the destination.

Then, check the train number against departure signboard (it will switch between English and Korean). It will guide you to the track to catch the train. Please pay ATTENTION to the train number as the signboard may display more than one trains going to same destination. All trains through Ulsan terminate in Busan.

If you're not sure, check the train number on side of doorway as you get on the KTX or on TV screen inside. Also, you can get help from any attendant (must be moving there) on the platform.

The train arrives there about 30 minutes before departure but is being cleaned for most of the time. It is advisable to be on the train at least 10-15 mins before your departure. Each station will be announced both in Korean and in English. You can also check the monitor in the middle of the car to trace the station.

Estimated Fare: KRW 55900 (standard seat) – 82600 (first class)

Journey Time: approx. 3 hours 20 mins.

Step III: How to get to the University of Ulsan

From Ulsan KTX station, you will have to take a taxi to get to the University of Ulsan (울산 대학교) in *Mugeodong*. The driver may not understand English. In that case, show him the above Korean letters or try to pronounce Ulsan Daehakgyo (Dae—hahg—gyoh) ☺. Or please show the following text to the taxi driver.

- Korean: 울산대학교 산학협동관(35 호관)으로 가주세요.
- English: Please, take me to the University of Ulsan (Building 35 : Industry-University Cooration Hall)

Estimated Fare: KRW 13000 – 15000

Journey Time: approx. 20 mins.

Option II: Follow the following steps to reach Ulsan by using Airport railroad/All Stop Train to get to Seoul KTX station:

Step I: How to get to Airport railroad

When you come out of the arrival halls, look for the signboards for Airport railroad as shown below:

The picture below clearly shows how to get to Airport railroad (B1 Floor) from arrival halls (1st Floor).

Step II: How to buy a ticket

Once you arrive at the airport railroad entrance (see left picture below), you can purchase Express train ticket by visiting the Information Desk or directly from the machine (see right picture below).

Note: There are two types of trains running on the Airport Railway:

Express Train (a non-stop service)

Estimated Fare: KRW 14800
Journey Time: approx. 45 mins.

All Stop Train

Estimated Fare: KRW 4250
Journey Time: approx. 58 mins.

The **EXPRESS** train and the **ALL STOP TRAIN** follow the exact same route. The **EXPRESS** runs directly from **ICN** to **SEOUL KTX station** from 5:20 (first train) to 21:45 (last train). Whereas, the **ALL STOP TRAIN** has 10 stops along the way and it runs much more frequently, between 5:24 and midnight. Do not worry if you get on the wrong one, they both end up at **Seoul KTX station**. We recommend you to take **EXPRESS** service to avoid any inconvenience.

Note: Once you arrive at the **Seoul KTX station**, follow the **Step II** onwards in **Option I** as described above. Shown below are different timings and estimated price for KTX route from **Seoul station** to **Ulsan station**.
